The within Agreement is made to effectuate the policy of the New Jersey Employee-Employer Relations Act, R.S. 34:13A-1, et seq., and to formalize agreements reached through negotiations conducted in good faith between the City and the UNO with respect to terms and conditions of employment.

Whereas, for the purpose of mutual understanding and in order that a harmonious relationship may exist between the City and the UNO to the end that continuous and efficient service will be rendered, this Agreement is created.

Now, therefore, it is agreed as follows:

## **ARTICLE I. UNO RECOGNITION**

The City hereby recognizes the UNO as the sole and exclusive collective negotiations agent for all temporary and permanent employees who hold the title of Licensed Practical Nurse, Graduate Nurse-Public Health, and Public Health Nurse.

## **ARTICLE II. GRIEVANCE PROCEDURE**

### ***A. Purpose***

1. The purpose of the Grievance Procedure shall be to settle all grievances between the City and the UNO as quickly as possible so as to insure efficiency and promote employees' morale.

### ***B. Definition***

A Grievance as used herein means any controversy arising over the interpretation or adherence to the terms and conditions of this Agreement.

### ***C. Steps of the Grievance Procedure***

A Grievance shall be processed as follows:

#### ***Step One:***

(a) An aggrieved employee shall institute action under the provisions hereof within twenty (20) working days of the occurrence of the Grievance by discussing the matter with her immediate supervisor and UNO representative. Failure to act within the said twenty (20) working days shall be deemed to constitute an abandonment of the grievance.

(b) The immediate supervisor shall render an answer within three (3) working days to the UNO.

#### ***Step Two:***

(a) If the Grievance is not settled through Step One, the same shall be reduced to writing by the UNO and submitted to the Director of Nurses, or her designee.

(b) The Director of Nurses or her designee shall answer such Grievance in writing with a copy to the UNO within five (5) working days of its submission.

#### ***Step Three:***

(a) If the Grievance is not settled by Steps One and Two, then the UNO shall have the right to submit such

Grievance to the Director of Human Resources or his designee.

(b) A written answer to said Grievance shall be served upon the individual and the UNO within seven (7) working days after submission.

*Step Four:*

(a) If the Grievance is not settled through Steps One, Two and Three, the aggrieved shall have the right to pursue all legal remedies afforded by provisions of the Civil Service Act.

(b) If the aggrieved does not elect to pursue her Grievance under the provisions of the Civil Service Act, then the UNO shall have the right to submit such Grievance to an arbitrator appointed by P.E.R.C. The arbitrator shall have full power to hear the dispute. The decision of the arbitrator shall be final and binding upon both parties. The cost of arbitration shall be borne equally by the City and the UNO.

*D. Miscellaneous Provisions*

1. The UNO President, or his authorized representative, may report an impending Grievance to the Director of Human Resources in an effort to forestall its occurrence.

2. Nothing herein shall prevent any employee from processing her own Grievance, provided the Grievance Committee may be present as an observer at any hearing on the individual's Grievance.

3. Since adequate Grievance Procedures are provided in this Agreement, the UNO agrees that it will not engage in, encourage, sanction or suggest strikes, slowdowns, mass resignations, mass absenteeism or other similar action which would involve suspension of work or which would disturb or interfere with the orderly operation of the Department of Human Resources.

## **ARTICLE III. NOTIFICATION**

Proposed new rules or modifications of existing rules governing working conditions shall be negotiated with the representatives of the UNO before they are established, except as limited by the management's rights clause.

## **ARTICLE IV. SENIORITY**

*A. Definition*

1. Seniority within the field section shall be measured in

accordance with length of service within the field section by title.

2. Seniority within the school nursing service shall be measured in terms of total length within the school nursing service, without regard to title.

*B.*

1. Seniority shall prevail in connection with requests for leaves of absence and supervisory relief work subject to licensure requirements.

2. Permanently appointed nurses have preference over temporary appointees in connection with the above.

*C. Intrasectional Transfers*

1. Within the field service, management shall have the right to appoint a nurse with the least fieldwide seniority from any of the other districts when a vacancy occurs. This system shall consist of one seniority list from each title with the nurses ranked in their order of seniority. The least senior nurses (in each title) within each district shall be transferable. Any nurse transferred shall retain her fieldwide seniority which shall thereafter be measured against the fieldwide seniority of others within her new district.

2. Within the school nursing service, a single seniority list shall be established, and in the event of a vacancy, school nurses may bid for the vacancy in order of seniority. In the event there are insufficient nurses to cover school assignments, involuntary procedures (as set forth below) shall be invoked.

*D. Intersectional Transfers*

*1. Moving from Field to School Nursing Service*

*2. Transfers from the School Staff to the Field*

(a) In transfers from the school nursing staff to the field staff the least senior school staff nurse shall be transferred.

*(b) Seniority after intersectional transfer*

1. A nurse transferring from one section to another does not carry her previous seniority with her from her old section, except as set forth below.

2. A nurse who voluntarily transfers, thereby becoming the least senior individual within her new section, and is involuntarily transferred back to her old section regains the

amount of seniority she had when she voluntarily transferred out, but receives no seniority credit for the time in the intervening section to which she had voluntarily moved.

## **ARTICLE V. HOME VISITS**

A. Public Health nurses are not to be expected to make home visits where the safety or welfare of a nurse is threatened.

B. Public Health nurses home visits will be restricted to necessary calls during days with inclement weather, storms, excessive heat or during civilian disturbances which might jeopardize the health and well-being of the nurse.

C. The City shall supply necessary transportation and assistance to those nurses making emergency calls during days of severe inclement weather.

D. Effective January 1, 1980 employees who use their own vehicles will be compensated at the rate of \$70.00 per month. Additionally, a committee will be formed to establish a formula which will address itself to the entire automobile use issue. This committee will, within six (6) month of its inception, make a recommendation to the City. If either party refuses to implement the recommendation, the parties will submit the issue to arbitration.

## **ARTICLE VI. HOURS OF DUTY**

A. The work week shall consist of five (5) days beginning on Monday for employees within the bargaining unit.

B. School nurses shall work the hours that their school is in session. Field staff nurses shall work in accordance with their current hourly schedule, e.g., 8:30-3:30, 9:00-4:00. ## **ARTICLE VII. DUES CHECK-OFF**

A. The City agrees to deduct organization dues from the salaries of the employees included in this bargaining unit upon receipt of signed organization cards, the same to be deemed authorization to deduct dues, once a month and shall remit the dues deducted to the Treasurer of the UNO monthly.

Any written designation to terminate authorization for check-off must be received in writing by the City and the UNO, and the filing of notice of withdrawal shall be effective to halt deductions as of January 1 or July 1 next succeeding the date on which the notice of withdrawal is filed.

The UNO is to be notified of all new personnel, starting salary, sectional assignment, address, and resignation.

D. The UNO will provide a copy of the membership card for each of its members and the same will be accepted as "check-off" authorization, the said cards to be signed by each member. The said cards are to be delivered to the City Comptroller. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the UNO as majority representative.

## 2. Amount of Fee

### A. Notification

Prior to the beginning of each membership year, the UNO will notify the City in writing of the amount of the regular membership dues, initiation fees and assessments charged by the UNO to its own members for that membership year. The representation fee should be

membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

### B. Legal Maximum

In order to adequately offset the per capita cost of services rendered by the UNO as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the UNO to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the UNO membership year immediately following the effective date of the change.

## 3. Deduction and Transmission of Fee

#### D. Mechanics

Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of regular membership dues to the UNO will as nearly as possible be the same as those used for the deduction and transmission of regular membership dues to the UNO.

The list will include the names, job titles and dates of employment for all such employees. This list shall be in addition to the requirements of paragraph 3A above.

### **ARTICLE VIII. TEMPORARY STATUS**

A. The UNO and the City recognize that frequently there is an inequitable delay in conferring the status of "permanent" on employees.

B. To alleviate this inequity, the City agrees to use whatever powers at its disposal, including petitioning the Department of Civil Service, to keep the status of "temporary" or "provisional" as same pertains to any employee covered by this Agreement to the shortest possible amount of time.

## **ARTICLE IX. NEWLY CREATED POSITIONS**

A. If in the opinion of the City, an open position demands additional qualifications than those set by Civil Service, the City agrees to submit to the UNO the additional criteria for comment prior to submitting the same to the Department of Civil Service for approval.

B. In the event that there exists a new opening or a vacancy in a position that presently exists, or if a new position is hereinafter established, there shall be posted on the bulletin boards in district offices and sufficient copies given to the UNO President precisely what the new position is and in every event the qualifications necessary to fill such a position.
